DESCRIPTION

Pegwell candle by **Hæckels**.

Founded in 2012 with a mission to promote healthy and ethical products, Hæckels create simple, handcrafted products inspired by and made from natural ingredients harvested on the Kent coastline.

The Hæckels Pegwell Bay inspired fragrance captures the essence of a wild and unkempt nature. Made using wild fennel, grasses, and salt gathered on a sunny day in July 2014 from the beautiful Pegwell Bay. The fragrance evokes the smell of hollow stemmed wild fennel and is infused with a heady blend of birch, juniper, and vetiver for a truly unique and captivating scent.
