

Pluviophile Candle

Manufacturer: **Hæckels**

£58

DESCRIPTION

Pluviophile candle by Hæckels.

Founded in 2012 with a mission to promote healthy and ethical products, Hæckels create simple, handcrafted products inspired by and made from natural ingredients harvested on the Kent coastline.

Bring the fresh, nostalgic scent of a summer rainstorm into your home with the Hæckels Pluviophile candle. With notes of crushed shells, concrete, seawater, and the earthy aroma of Petrichor, this candle will transport you back to childhood memories of spending time outdoors on a rainy day.
