

Lucano 2 Step Stool

Manufacturer: **Hasegawa**

£189

DESCRIPTION

Lucano 2 step stool by Hasegawa.

Lucano is ideal as a kitchen stool that doubles as a small ladder for reaching high cupboards and shelving. Hasegawa Kogyo Co. is acknowledged as the foremost manufacturer of ladders in Japan and their Lucano step stool was recognised with a Red Dot design award.

This lightweight aluminium design weighing less than 3kg folds away to a mere 15cm in-depth, allowing it to slide away into narrow storage spaces. Supports up to 102kg in weight.

Safety features include non-skid feet, wide rungs with a grooved tread on the steps and a safety latch.

DIMENSIONS

Open: 48w x 57d x 56cmh

Closed: 48w x 15d x 62cmh

Weight: 2.72kg

MATERIALS

Hand-assembled from lightweight aluminium and steel components with a powder-coated finish in orange .
