DESCRIPTION

Paper Cube Table Lamp by **Bertjan Pot** for **HAY**.

The Paper Cube series is a new collection of lighting products from HAY designed by Bertjan Pot. The soft ambient glow generated by the translucent shade is sure to add to the ambience of any room at home, as well as restaurants, cafés and other public spaces. Elegant and functional, the cubed lamps are inspired by the mechanics of constructing folded paper ornaments.

Flat-packed and easy to assemble, the table lamp is constructed from a strong Japanese paper material made from recycled PET bottles. The legs are made with FSC-certified beech.

Also available as a floor lamp.

Not supplied with bulb. Any standard retrofit bulb can be used.
