DESCRIPTION

J41 chair by **Børge Mogensen** for **HAY**.

The idea behind the original FDB range was simple. A furniture collection for the people, with chairs that were distinctly Danish in design, comfortably ergonomic, and widely affordable. Relunched by HAY, the FDB range stays true to its original ethos.

The Hay reproduction of Børge Mogensen's classic J41 chair has a slightly slanted backrest and widely-spaced spindles, with a broad plywood seat and frame in solid oak or beech. The uncluttered design is both hard-wearing and comfortable.
