### DESCRIPTION

**Balcony Lounge Armchair** by **Ronan + Erwan Bouroullec** for **HAY**.

An elegant new outdoor furniture collection from HAY comprising of side chairs, armchairs, lounge chairs, tables and benches, the Balcony collection stands out with its unique symmetrical holes incorporated into the design. With minimal welding made possible by the presence of the symmetrical holes which provide extra stability, the collection is aesthetically soft on the eye without compromising with strength or comfort.

Made from steel with weatherproof powder-coated finishing, the collection is extremely versatile with designs in various colours, types and sizes. A great choice for outdoor living.

Designed in 2022, the Balcony lounge armchair is available in three different colours and can be purchased with an optional cushion in three different colours. Pair it with the Balcony chair, balcony lounge chair, Balcony bench or Balcony table to set up the perfect outdoor space.

The Balcony collection consists of chairs, lounge chairs, tables and benches in a number of different colour options. View the Balcony family in the 'Product range' below.

**Please note; all orders must be made in multiples of 2 in the same colour.**
