DESCRIPTION

Palissade low lounge chair by Ronan + Erwan Bouroullec for HAY.

Designed in 2016 for HAY, Palissade is a family of outdoor furniture from the brothers Bouroullec, ranging from benches, sofas and tables to dining and lounge chairs.

Formed from streamlined slatted steel with curved surfaces, the collection is described by the designers as "strong without being bulky; elegant without being fragile".

With a form that references traditional French garden furniture while remaining resolutely contemporary, Palissade pieces will sit easily within a wide variety of settings - from gardens, terraces and balconies to outdoor cafes and restaurants.

The Palissade lounge chair is available in two heights: a wide, lower version and a high-backed version. Please note only the low lounge chair is available in the hot galvanised finish. Please find the high-backed version **here**.

Additional full quilted, soft quilted and seat cushions can be purchased separately. View the Palissade family in the 'Product range' below. View the entire Palissade family **here**, or in the 'Product range' below. View the entire
