

Slant Table Lamp, 2021

Manufacturer: **HAY**

£309

DESCRIPTION

Slant Table Lamp by **Branch** for **HAY**.

Bold and graphic in its form, the Slant Lamp is a sculptural table lamp that offers functional, directional light.

Fashioned from aluminium finished with a wet spray satin, the graphic lamp has a smooth surface and a structure that conceals all components within, forming a clean and streamlined silhouette.

The lamps body comprises a slanted cylindrical top with a standard retrofit bulb hidden inside and a weighted base that holds the lamps angle in perfect balance.

Quickship available for the khaki finish only.

DIMENSIONS

23.5w x 24.5d x 28cmh

MATERIALS

The body of the Slant table lamp is crafted from die-cast and extruded aluminum with a satin, wet spray finish in soft black, khaki or white.

The diffuser is made from injection moulded Acrylic (PMMA).

The black braided textile cable has silicone insulation.

Reccomended light source (bulb not-included): LED E27 (A19), 10-13W (max. 15W), 220-240V AC at 50/60Hz 200 cm

The Slant table lamp has a stepless inline dimmer.
