Colour Crate Mix

Designer: **Hay Studio**

Manufacturer: **HAY**

£6

DESCRIPTION

Colour Crate Mix by **HAY**.

HAY's Colour Crate Mix is a series of storage containers that are both aesthetically pleasing and functional. Highly versatile, these containers are easy to stack, making them a practical choice for optimising your space.

Available in various playful colour combinations, these crates add a touch of fun to any setting. They have a unique perforated design made entirely from recycled post-consumer plastic waste, making them a sustainable option for the home.

DIMENSIONS

17w x 26d x 10cmh

MATERIALS

Made from 100% recycled post-consumer plastic waste
