DESCRIPTION

Traverse Chair by **Erwan Bouroullec** for **HAY**.

Designed in 2025 by Erwan Bouroullec, Traverse is a collection of outdoor furniture featuring die-cast aluminium frames and slatted seats. The designs combine sturdy construction with a welcoming shape that develops a unique patina over time, enhancing their beauty.

The collection is designed to effortlessly blend in with any outdoor environment, making it equally suitable for both commercial and residential spaces. The Traverse Chair pairs perfectly with the Traverse Armchair and Tables, ideal for creating inviting dining and social areas.

All items in the collection are flat-packed for customer assembly, helping to reduce the carbon footprint.

DIMENSIONS

47.5w x 52.5d x 46/80.5cmh

46.5w x 39.6d x 4cmh

MATERIALS

The frame is made from shot-blasted diecast 60% recycled aluminium with outdoor lacquer.

Slats made from heat treated solid ash with outdoor wood wax oil. The colour of the slats will develop a silvery-grey patina over time.

100% recycled black gliders.

The optional cushion is made from 100% polyester silicone fibre balls with upholstery in a solution dyed Olegin with water repellent finish. The backing is made from black anti-slip 100% recycled PET with bio based natural rubber coating.
