

Traverse Lounge Chair

Designer: **Erwan Bouroullec**

Manufacturer: **HAY**

£405

DESCRIPTION

Traverse Lounge Chair by **Erwan Bouroullec** for **HAY**.

Designed by Erwan Bouroullec in 2025, the Traverse Lounge Chair features an ergonomic design that invites you to relax outdoors. A part of the Traverse collection, the family was created to be a versatile range that could seamlessly blend into any outdoor environment, making it an ideal choice for both commercial and residential spaces.

Crafted with durable heat-treated ash slats, the wood will naturally develop a unique patina over time, adding individual character to the piece.

The lounge chair is available with or without arms and can be used alone or paired with other pieces from the collection.

All pieces in the collection are flat-packed for customer assembly, helping to reduce the carbon footprint.

DIMENSIONS

MATERIALS

The frame is made from shot-blasted diecast 60% recycled aluminium with outdoor lacquer.

Slats made from heat treated solid ash with outdoor wood wax oil. The colour of the slats will develop a silvery-grey patina over time.

100% recycled black gliders.

The optional cushion is made from 100% polyester silicone fibre balls with upholstery in a solution dyed Olegin with water repellent finish. The backing is made from black anti-slip 100% recycled PET with bio based natural rubber coating.

Please note: that this product arrives flat-packed and requires assembly. If you would like it to be assembled for you, please contact us here for an installation quote.
