

Traverse Table | Rectangle

Designer: **Erwan Bouroullec**

Manufacturer: **HAY**

£879

DESCRIPTION

Traverse Table | Rectangle by **Erwan Bouroullec** for **HAY**.

Available in two sizes, the rectangular Traverse Table is an outdoor dining table featuring a durable die-cast aluminium frame and a slatted tabletop made from heat-treated ash. Chosen for its strength, the wood naturally develops a unique patina over time, allowing each piece to grow more beautiful with age.

Designed by Erwan Bouroullec for HAY in 2025, the table is part of a versatile collection designed to suit both residential and commercial spaces.

For the ultimate outdoor dining experience, pair the table with the Traverse Chair, Armchair or Dining Bench.

All pieces in the collection are flat-packed for customer assembly, helping to reduce the carbon footprint.

DIMENSIONS

Medium: 140w x 83d x 74cmh

Large: 190w x 83d x 74cmh

MATERIALS

The frame is made from shot-blasted diecast 60% recycled aluminium with outdoor lacquer.

Slats made from heat treated solid ash with outdoor wood wax oil. The colour of the slats will develop a silvery-grey patina over time.

Please note: that this product arrives flat-packed and requires assembly. If you would like it to be assembled for you, please contact us here for an installation quote.
