

## Pyramid Bench, 1959

Designer: **Friso Kramer & Wim Rietveld**

Manufacturer: **HAY**

£1,049

### DESCRIPTION

**Pyramid Bench** by **Friso Kramer & Wim Rietveld** for **HAY**.

Designed by Friso Kramer and Wim Rietveld during their time working at Ahrend in the 1950s, the Pyramid collection of benches and **tables** and the **Result chair** have been relaunched by HAY together with Ahrend. The Pyramid collection features a range of tables and benches with a wooden surface and elegant metal base.

Regarded as a triumph in its innovative use of cutout sheet steel construction in the '50s, the Pyramid collection makes sparing use of materials to achieve lightness, adaptability and strength. This timeless range continues to remain relevant to its exceptional construction and design.

The Pyramid bench is a simple and industrial-looking wood bench. Suited to the dining room or hallway, this minimalist bench is available in two versions: Pyramid bench 11 and Pyramid bench 12, with a top overhang.

### DIMENSIONS

Pyramid bench 11: 85/140w x 40d x 46cmh

Pyramid bench 12: 190/250w x 40d x 46cmh

## MATERIALS

Bench seat is available in clear lacquered, smoked, oiled or matt lacquered solid oak. The base frame is available in black and beige steel. Made of oak veneer with a steel base.
