DESCRIPTION

Pyramid Table by **Friso Kramer + Wim Rietveld** for **HAY**.

Designed by Friso Kramer and Wim Rietveld during their time working at Ahrend in the 1950s, the Pyramid collection of tables and benches and the Result chair have been relaunched by HAY together with Ahrend.

The Pyramid collection features a range of tables and benches with a wooden surface and elegant metal base. Regarded as a triumph in its innovative use of cut-out sheet steel construction in the '50s, the Pyramid collection makes sparing use of materials to achieve lightness, adaptability and strength. This timeless range continues to remain relevant to its exceptional construction and design.

The Pyramid table is a versatile wood table adaptable to a variety of spaces such as dining areas, home offices or workspace meeting rooms. This minimalist and the sturdy table comes available in select sizes and two variations: Pyramid table 01 and Pyramid table 02, with a top overhang.

Pair with the coordinating **Pyramid bench** or **Result chair**.
