Inspired by luxurious silk-covered Swedish pendant lamps, George Nelson sought to provide an affordable alternative without compromising on style. Through ingenious design, he utilized a military-developed self-webbing plastic material to create a translucent shell that beautifully encases a lightweight, rounded-steel frame. The result is a harmonious blend of elegance and durability, ensuring that our Nelson Wall Lamps will stand the test of time.

Available in four charming variants: Ball, Pear, Cigar, and Saucer. See 'More products in this range' below.
