

Nelson Saucer Wall Sconce

Designer: **George Nelson**

Manufacturer: **HAY**

£729

DESCRIPTION

Nelson Saucer Wall Sconce by **George Nelson** for **HAY**.

Enhance any interior space with the stunning Nelson Saucer Wall Lamp. The wall-mounted lighting solution is designed to produce a warm and inviting atmosphere, thanks to the soft, diffused light emitted by the lamp.

The wall lamp features a luxurious walnut wall mount, supporting a spherical shade. Crafted with care, the lamp combines elegance and durability. The steel arm provides sturdy support while allowing effortless horizontal and vertical adjustments, without the need to alter the lamp's wall-mounted position.

Inspired by the silk-covered Swedish pendant lamps the designer wanted for his studio, George Nelson sought to provide an affordable alternative. By ingeniously utilizing a self-webbing plastic material developed by the military, he achieved a translucent shell that encases a lightweight, rounded-steel frame. This design fusion strikes a perfect balance between elegance and durability.

Available in four charming variants: Ball, Pear, Cigar, and Saucer. See 'More products in this range' below.

Manufactured by Herman Miller and distributed in the UK by HAY.

DIMENSIONS

44w x 59d x 42cmh

MATERIALS

Shade: Webbing polymer.

Frame top and bottom ring: Coated and brushed metal and nickel.

Cord: White PVC insulation.

Recommended light source (not included):

LED E27 (A15), 220-240V AC at 50/60Hz

220-240V AC at 50/60Hz, Dimmable

Pull switch

Cord length: 366 cm

All Bubble Lamp models have a steel-wire skeleton on the interior which is spray coated with the translucent plastic polymer resulting in a lamp that is both opaque and transparent as it glows.
