

Weekday Bench

Designer: **Hannes and Fritz**

Manufacturer: **HAY**

£155

DESCRIPTION

Weekday Bench by **Hannes & Fritz** for **HAY**.

Designed in 2022, the Hannes & Fritz Weekday Collection is the perfect solution for outdoor gatherings. Born from a need for seating at a dinner party, this collection of tables and benches is both stylish and sturdy. With a design reminiscent of a classic picnic setup, the Weekday Collection invites you to share a meal with friends and family. The solid pine construction gives the furniture a strong and welcoming character, making it suitable for use in a variety of indoor and outdoor settings, including cafes, public spaces, private gardens, and shared outdoor areas.

Designed with the perfect balance of durability and aesthetics, each piece is made from solid pinewood with a weather-resistant surface treatment. The traditional picnic table and bench design feature softly rounded joints and a robust presence, making it a great addition to any outdoor space. Choose from a variety of finishes and colour options to match your personal style. Assembly is a breeze with the knock-down construction that only requires a screwdriver. Plus, the collection is FSC™-certified and suitable for both private and public spaces, making it the perfect choice for your next outdoor gathering or special event.

The bench is available with an optional seat cushion.

Note: For outdoor use only. Indoor use may cause wood shrinkage.
