DESCRIPTION

About A Chair AAC12 by **Hee Welling** for **HAY**.

The idea behind the About A Chair collection was to develop a chair of conspicuous simplicity. A versatile chair which works just as well around the dining table, conference table or the canteen at the office. The ambition of the designer Hee Welling was to combine form, function, comfort, detail and aesthetics.

About A Chair is a family of chairs where all shells and frames can be combined and where diversity is possible without compromise.
