DESCRIPTION

About A Lounge Chair AAL83 by **Hee Welling** for **HAY**.

The idea behind the About A Chair collection was to develop a chair of conspicuous simplicity. A chair which works just as well around the dining table as around a conference table, in a canteen or at the office. The ambition of designer Hee Welling has been to combine form, function, comfort, detail and aesthetics.

About A Chair is a family of chairs where all shells and frames can be combined - but where diversity is possible without perfection being compromised.

About A Lounge Chair has clear references to the rest of the family. The low lounge chair is open and inviting and comfortable.
