Manufacturer: **HAY**

## DESCRIPTION

**About a Lounge Sofa by Hee Welling for HAY.**

About a Lounge Sofa is the most recent addition to the About series, but the design has such a natural family likeness that it seems as if it had always been a part of the series. About a Lounge Sofa is simply two lounge chairs that have been fused together and proportioned to form a harmonious whole. The sofa seats two, and even though About a Lounge Sofa has an open and welcoming structure, it also invites close and intimate meetings with its curvy lines and organic expression.
