DESCRIPTION

Table Clock by **Jasper Morrison** for **HAY**.

Jasper Morrison's Table Clock is an evolution of Wall Clock, originally designed in 2008. Its minimalist design reflects Morrison's talent for creating simple, functional items that blend seamlessly into any environment. The clock's smooth second-hand movement ensures a noise-free and peaceful atmosphere.

The clock face can be removed from the stand to be hung on a wall, making it a versatile addition to any space.
