

30 Degrees Pendant Light, 2016

Designer: **Johan van Hengel**

Manufacturer: **HAY**

£174

DESCRIPTION

30degrees Pendant Light by **Johan van Hengel** for **HAY**.

The 30degrees light has a conical lightweight yet opaque shade in laminated oak veneer for a warm and natural aesthetic.

The light derives its name from the production process in which semicircular sheets of veneer are aligned at a 30-degree angle. The veneer is applied to create a seamless pattern of woodgrain around the shade and is sealed with a matt lacquer.

A moulded locator fitting holds the shade level when suspended.

DIMENSIONS

Small: 24dia x 17cmh

Medium: 33.5dia x 25cmh

Large: 45dia x 35cmh

MATERIALS

Available in two sizes in natural oak veneer.
