

Type Chair

Manufacturer: **HAY**

£285

DESCRIPTION

Type Chair by **Jonas Trampedach** for **HAY**.

Designed by Danish designer Jonas Trampedach, the Type Chair, deriving from the perception of an archetypal chair, is a simple yet functional chair with distinctive character.

Constructed from aluminium and coated with silicone, the chair seamlessly combines traditional craftsmanship with industrial techniques, resulting in a smooth, closed surface. The unique shape of Type's back contributes to its cohesive sculptural appearance, enhancing the overall sense of familiarity. With its lightweight design and stackable feature, the chair's functionality, simplicity, and uniform quality make it adaptable to various indoor and outdoor environments.

DIMENSIONS

Side chair 47.5w x 47.5d x 46/78.5cmh

Optional cushion 37w x 37cmh

MATERIALS

Made from aluminium, sandblasted and treated with a weatherproof silicone coating.

The cushions are available in four colours: sky grey, anthracite or olive.

Fitted with a standard glider. The Type chair is stackable up to 5 pieces.
