

J104 Chair

Designer: **Jorgen Baekmark**

Manufacturer: **HAY**

£265

DESCRIPTION

J104 Chair by **Jorgen Baekmark** for **HAY**.

The idea behind the original FDB range was simple. A furniture collection for the people, with chairs that were distinctly Danish in design, comfortably ergonomic, and widely affordable. Relunched by HAY, the FDB range stays true to its original ethos.

Optional seat cushions are available in the following fabrics: **Atlas 931**, **Mode 002**, **Remix 606**, **Surface 120**, **Tadao 200**, **Bolgheri LGG60** and **Hallingdal 116**. Please enquire for purchase.

Requires assembly.

DIMENSIONS

J104 chair 57w x 47d x 73cmh

J104 cushion 45w x 40d x 2cmh

MATERIALS

The J104 chair is made of FSC certified solid beech, with a curved seat-back for comfort and a light yet strong construction. Its wide seat makes it suited for use as a lounge chair as well as a dining chair.

Products made from FSC certified wood are sourced from sustainable forests with responsible management that reduces deforestation and ensures the forests' future preservation.

The low VOC (volatile organic compounds) content in the water-based variant emits significantly fewer pollutants, which makes it much more environmentally friendly, contributing to a healthier working environment and better indoor climate. Furthermore, water-based lacquer is often more durable than PU lacquer, so your wooden furniture can have a longer lifetime too.
