### DESCRIPTION

**Arcs Wall Sconce** by **Muller Van Severen** for **HAY**.

Designed by Muller Van Severen, the Arcs Wall Sconce is a versatile and playful wall lamp, available in five different finishes.

Crafted from a single sheet of steel the shade forms a septagon with a continuous scalloped shape on its top and bottom edges.

The lamp is available as a table and pendant light which can be discovered in the 'related product' section below.

### DIMENSIONS

17w x 13d x 25cmh

### MATERIALS

The Arcs wall lamp is crafted from a stamped and bent sheet metal and is available with a mirror plated finish or with a high gloss wet-spray finish in auburn red, sea green or cobalt blue.

Recommened light source (bulb not included): LED E14 (A15), 5W-8W, 220-240V AC at 50/60Hz.

The light is available with an integrated toggle on/off switch mounted on the lamp.

The non-integrated switch variant is designed to be mounted directly on a wall-mounted junction box.
