

Ceramic Table

Designer: **Muller Van Severen**

Manufacturer: **HAY**

£579

DESCRIPTION

Ceramic Table by **Muller Van Severen** for **Hay**.

The Ceramic Table, by Muller Van Severen, reimagines outdoor furniture with a minimalist aesthetic and exploration of materials and colours used.

Featuring a round porcelain tabletop supported by a steel tube column and concrete base, this table seamlessly blends classic design with a vivid colour palette. Its universal allure lies in the enduring simplicity, durability, and versatility of the Ceramic Table, effortlessly enhancing outdoor spaces and complementing a diverse range of HAY chairs.

Available in two sizes and various colour combinations, the Ceramic table is suited to a variety of residential and commercial environments.

DIMENSIONS
