

Two-Colour Table

Designer: **Muller Van Severen**

Manufacturer: **HAY**

£1,049

DESCRIPTION

Two-Colour Table by **Muller Van Severen** for **Hay**.

The Two-Colour table series embraces the concept of contrast and similarities through the materials and colours used.

Assembled from a durable steel frame and organic coloured Valchromat for the tabletop of even thickness, the table has a uniform silhouette disrupted by the contrasting elements of colour.

Available in various shapes, sizes and colour combinations, the Two-Colour table has a playful personality, ideal for a diversity of residential and commercial environments.

DIMENSIONS

Available in five sizes:

105dia x 74cmh

120dia x 74cmh

160d x 82w x 74cmh
