

Arcs Mirror

Designer: **Muller Van Severen**

Manufacturer: **HAY**

£389

DESCRIPTION

Arcs Mirror by **Muller Van Severn** for **HAY**

Designed by the Belgian duo Muller Van Severen, the Arcs Mirror showcases a seamless succession of vertical arcs meticulously enveloping the looking glass, resulting in a graceful, undulating periphery.

Made from powder-coated stainless steel with a reflective polish, the mirror is available in a spectrum of colours, sizes and shapes, spanning from a petite circular-looking glass to a grand rectangular one.

DIMENSIONS

Round (Red): 60dia x 3cmh

Rectangular S (Mirrored): 43w x 61d x 3cmh

Rectangular M (Mirrored): 50w x 133d x 3cmh

Rectangular M (Green): 50w x 133d x 3cmh

Rectangular L (Burgundy): 72w x 133d x 3cmh

MATERIALS

Powder-coated stainless steel with mirror.

Available in the round shape in Red colour. Also available in the rectangular shape in Mirrored, Green, or Burgundy finish.

Available in four different sizes.
