

## PC Portable Table Lamp

Designer: **Pierre Charpin**

Manufacturer: **HAY**

£105

### DESCRIPTION

**PC Portable Table Lamp** by **Pierre Charpin** for **HAY**.

The PC Portable lamp is a small, free-standing table lamp for both indoor and outdoor use. The sleek, cylindrical base and tulip-shaped shade are constructed in a robust injection-moulded plastic, the design completed with a matte scratch and water-resistant finish.

Its battery-powered design affords flexibility, allowing the lamp to be taken anywhere, providing up to ten hours of illumination, then simply recharge.

### DIMENSIONS

14dia x 22cmh

### MATERIALS

Made from injection-moulded plastic.

The minimal lamp is available in Soft Yellow, Cream White, Soft Black, Olive, Sky Blue and Dusty Red.

The cream white version features a translucent shade, providing ambient light, while the other colours have opaque shades, providing directional downlight.

Bulb (included):

G4 LED bulb 3w (low voltage), flux 85lm, CCT 3000K, dimmable, IP44

Soft stepped dimming in three stages

**Please Note:** USB-C fast-charging compatible cable is included with the lamp, allowing for fast-charging in 3 hours.

The PC Portable has an IP rating of 44, meaning it is protected from solid particles that are over 1mm in size and from low-velocity sprays of water from every direction. It is not waterproof and should not be stored outside.
