

Élémentaire Chair

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **HAY**

£115

DESCRIPTION

Élémentaire Chair by **Ronan +Erwan Bouroullec** for **HAY**.

The Élémentaire Chair was designed by the Bouroullec brothers in 2018 as a mélange of years of furniture design experience. Its simple aesthetic and well-proportioned shape suggest stability and practicality, something inspired by traditional furniture design. Advanced modern manufacturing techniques make it robust and lightweight.

Please note that a minimum order quantity of 2 chairs applies to this product.

DIMENSIONS

42w x 49.5d x 45.5/79.5cmh

MATERIALS

Élémentaire is made from 100% recycled injection moulded polypropylene strengthened with fibreglass, and coloured-through in a choice of six colours. The Élémentaire chair is a bold chair that stands out on its own or in a

group and strikes a balance between strength and beauty.

Nylon gliders are provided as standard.

Available in Smoky green, Light yellow, Blue grey, Olive, Cream white, and Anthracite. Quickship is available with Anthracite, Cream white, and Blue grey colourways.
