DESCRIPTION

Palissade Cord Dining Armchair by **Ronan + Erwan Bouroullec** for **HAY**.

The Palissade Cord joined Ronan and Erwan Bouroullec's celebrated Palissade collection in 2025, maintaining the same design language as its predecessor while introducing a softer aesthetic thanks to the handwoven cord.

The Dining Armchair features a powder-coated steel frame with a polyester cord in a matching tonal hue, offering both comfort and durability. It was designed to integrate seamlessly into natural landscapes and is available in a range of versatile colours that make it perfect for a variety of spaces, from cafés and parks to gardens, terraces, and balconies.

DIMENSIONS

63w x 66d x 45/80cmh

MATERIALS

The cord is made from 100% recycled polyester, whilst the frame is made from powder coated steel with an outdoor lacquer. Available in anthracite, cream white, iron red, sky grey or olive.

An optional, water-resistant seat cushion is also available as an extra. It has an anti-slip bottom and fastens with strings at the top and velcro at the bottom. The cushions come in two sizes: as a seat olefin cushion or as a full, quilted cushion that covers the seat and back.
