Palissade is the new family of outdoor furniture from the brothers Bouroullec, ranging from benches, sofas and tables to dining and lounge chairs.

Formed from streamlined slatted steel with curved surfaces, the collection is described by the designers as "strong without being bulky; elegant without being fragile".

With a form that harks back to traditional French metal garden furniture while remaining resolutely contemporary, Palissade pieces will sit easily within a wide variety of settings - from gardens, terraces and balconies to outdoor cafes and restaurants.
