The lounge chair features a polyester cord handwoven around a powder-coated steel frame, offering both comfort and durability. Designed to seamlessly blend into outdoor spaces, it is available in a range of versatile colours, making it perfect for environments like cafés, parks, gardens, terraces, and balconies.

### DIMENSIONS

73w x 81d x 38/70cmh

### MATERIALS

The cord is made from 100% recycled polyester, whilst the frame is made from powder coated steel with an outdoor lacquer. Available in anthracite, cream white, iron red, sky grey or olive.

An optional, water-resistant seat cushion is also available as an extra. It has an anti-slip bottom and fastens with strings at the top and velcro at the bottom. The cushions come in two sizes: as a seat olefin cushion or as a full, quilted cushion that covers the seat and back.
