DESCRIPTION

Balcony Dining Bench by **Ronan + Erwan Bouroullec** for **HAY**.

An elegant new outdoor furniture collection from HAY comprising of side chairs, armchairs, lounge chairs, tables and benches, the Balcony collection stands out with its unique symmetrical holes incorporated into the design. With minimal welding made possible by the presence of the symmetrical holes which provide extra stability, the collection is aesthetically soft on the eye without compromising strength or comfort.

The Balcony Dining Bench is the latest addition to the Balcony range. A stylish and practical addition to any outdoor space, the bench is designed by Ronan and Erwan Bouroullec. This bench boasts a sleek rectangular shape with delicate legs that add a touch of refinement. The unique design features multiple holes in the seat and back, not only adding a distinctive look but also providing added strength and durability.

Crafted from high-quality powder-coated steel with a special outdoor primer, this bench is built to withstand the elements and provide long-lasting performance. Choose from several colours and options, including armrests or without, making it perfect for any size or style of outdoor area. Whether you have a small balcony or a vast garden, the Balcony Dining Bench is the perfect solution for outdoor seating.

The Balcony collection consists of chairs, lounge chairs, tables and benches in a number of different colour options. View the Balcony family in the 'Product range' below.
