

## Balcony Bar Stool

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **HAY**

£265

### DESCRIPTION

**Balcony Bar Stool** by **Ronan + Erwan Bouroullec** for **HAY**.

Introducing the Balcony Bar Stool, a stunning and practical outdoor seating solution designed by Ronan and Erwan Bouroullec for HAY. With its sleek rectangular shape, comfortable bowl-formed seat and thin legs, this stool is perfect for adding a touch of elegance to any outdoor space. The unique multiple holes in the seat not only create a striking visual appeal but also add strength to the stool's construction.

The Balcony Bar Stool is built to last, thanks to its powder-coated steel frame and outdoor primer, which ensures optimal resilience and durability. With two height options and a wide range of colour choices, this stool is suitable for all kinds of outdoor settings, from small balconies and terraces to gardens and outside café and bar areas. Upgrade your outdoor seating experience by combining the bar stool with the stylish and functional HAY Balcony range.

The Balcony collection designed in 2022, consists of stools, chairs, lounge chairs, tables and benches in a number of different colour options. View the Balcony family in the 'Product range' below.

## DIMENSIONS

Low: 39.5w x 39.5d x 65cmh

High: 39.5w x 39.5d x 75cmh

## MATERIALS

Made from steel with a two-component powder-coated finish. Coated first with a primer followed by an outdoor powder coating which provides a barrier to corrosive elements making it suitable for outdoor use.

Fitted with a standard glider.
