DESCRIPTION

Palissade Cone Table by **Ronan + Erwan Bouroullec** for **HAY**.

Designed in 2016 for HAY, Palissade is a family of outdoor furniture from the brothers Bouroullec, ranging from benches, sofas and tables to dining and lounge chairs.

Formed from streamlined slatted steel with curved surfaces, the collection is described by the designers as "strong without being bulky; elegant without being fragile".

The table's solid base and ultra-thin steel tabletop share the same graphic design language as the rest of the Palissade series. The table is available with square or round tabletop and features a stabilising concrete base. Designed for outdoor use, the powder-coated steel has a protective outdoor primer for optimal durability and resilience.
