The Bouroullec brothers launched Palissade, an outdoor furniture series crafted from sleek slatted steel, in 2016. The collection embodies strength and elegance and encompasses a wide range of furniture, from benches and sofas to tables and dining chairs.

The brothers were inspired by French metal garden furniture yet managed to maintain a contemporary aesthetic through gentle curves and minimalistic design.

Taking practicality and longevity into consideration, the vertical slats ensure efficient air and water circulation, enhancing the seats durability in wet conditions.

Palissade pieces effortlessly complement various settings, from gardens and terraces to outdoor cafes and restaurants.

The Palissade lounge chair is available in two heights: a wide, lower version and a high-backed version. Please note only the low lounge chair is available in the hot galvanised finish. Please find the high-backed version **here**.

Additional full quilted, soft quilted and seat cushions can be purchased separately. View the Palissade family in the 'Product range' below. View the entire Palissade family **here**, or in the 'Product range' below. View the entire Palissade family **here**, or in the 'Product range' below.
