

## Bowler table

Designer: **Shane Schneck**

Manufacturer: **HAY**

~~Was £209~~ Now £177

## DESCRIPTION

**Bowler table** by **Shane Schneck** for **HAY**.

Shane Schneck's Bowler table is a compact side table, ideal for small spaces. The Bowler has a distinctive aesthetic, its name reflected in its hat-shaped granite base. The table combines a lipped tray with steel tube stem that extends and curves above the tray, doubling as a functional handle.

While the solid granite base offers stability, the table remains lightweight enough to be easily moved around.

## DIMENSIONS

36dia x 60/70.5cmh

## MATERIALS

The striking design has a powder-coated finish and is available in a range of versatile colours: fir green, beige, black, cream, tile red and pale brown.

The table is delivered flat packed and is easy to assemble.
