

New Order Combination 201

Designer: **Stefan Diez**

Manufacturer: **HAY**

£1,310

DESCRIPTION

New Order Combination 201 by **Stefan Diez** for **HAY**.

The New Order is an open-ended, modular system that comprises interconnecting aluminium elements to create customised storage solutions for specific workspace and living areas. This combination features large closed storage space with an adjustable shelf insert and open shelf space. This combination offers an effective and adaptable space management solution where objects can be safely stored away or openly displayed.

Available in army, charcoal and light grey powder-coated aluminium.

Please see the different components [here](#) and **contact us** if you need help designing your ideal shelving system.
