

New Order Combination 401 with Table

Designer: **Stefan Diez**

Manufacturer: **HAY**

£2,880

DESCRIPTION

New Order Combination 401 storage with Table by Stefan Diez for HAY.

New Order's open-ended, modular system comprises interconnecting aluminium elements to create customised storage solutions for specific workspace and living areas. The combination features a table attached to a shelf unit creating a functional and compact workstation offering great desk space and efficient storage. The closed storage features sliding steel doors. Versatile to a broad range of workspace purposes, this set-up can be supplied with cable management solutions, dividers and other components to enhance functionality and organisation.

Available in army, charcoal and light grey powder-coated aluminium.

Please see the different components [here](#) and [contact us](#) if you need help designing your ideal shelving system.
