Item reduced by 20%

£229 -20% now £183

New item, boxed.

This item is a one-off ex-display item to be sold on a first-order, first-served basis.

The Apollo Portable lamp is a small, free-standing table lamp for both indoor and outdoor use. A contemporary interpretation of the form of a traditional lamp, it features rounded curves and unified silhouette hand-made in a single piece of opal glass.

The light source and rechargeable battery are concealed within the shade, illuminating the upper part to provide a warm, ambient glow. Its battery-powered design affords flexibility, allowing the lamp to be taken anywhere, providing up to ten hours of illumination, then simply recharge.

DIMENSIONS

12.5dia x 22cmh

MATERIALS

Made from mouth blown opal glass.

Replaceable 3W LED (included). Touch step dimmer with 3 settings.

Requires Micro USB Cable for charging.
