

Rebar Side Table, 2018

Designer: **Sylvain Willenz**

Manufacturer: **HAY**

£465

DESCRIPTION

Rebar rectangle table by **Sylvain Willenz** for **HAY**.

The Rebar side table is part of Sylvain Willenz's Rebar collection, a series of coffee, tray and side tables that uses construction grade steel for the frame base matched with a black marble top or removable black tray top. The juxtaposition of materials strikes a balance between modern and industrial design. Adapting to a range of spaces, the marble side table is suited for private, commercial and public spaces.

DIMENSIONS

75w x 44d x 55cmh

MATERIALS

Made of Anchor rebar welded steel frame, polished marble tabletop with chamfered edges and removable powder-coated steel traytop.

Available in three finishes: grey marble tabletop with fossil grey powder coated frame, beige marble with alabaster powder coated frame or black marble with soft black powder coated frame.
