

Tube Candleholder | Concrete

Manufacturer: **HAY**

£8

DESCRIPTION

Tube Candleholder | Concrete by **HAY**.

Crafted from concrete with a sleek matte finish, the Tube Candleholder combines a simple tubular design with a subtle colour palette. Designed to be paired with HAY candles, this functional piece includes internal ridges to securely hold the candle and a circular base for balance and catching any melting wax.

Available in soft, muted colours, these candleholders stand out individually or clustered in a group.
