

Hiroshima 2-Seat Sofa

Designer: **Naoto Fukasawa**

Manufacturer: **Maruni**

£5,306.67

DESCRIPTION

Hiroshima 2-Seat Sofa by **Naoto Fukasawa** for **Maruni**.

The Hiroshima series was released in 2008. Designed by Naoto Fukasawa, the aim was to create furniture that combines robustness with designs that will remain fresh and vital.

This simple and refined sofa is a relaxed and inviting seating solution for any setting. The structure, made of down and low-resistance urethane, supports the body with just the right amount of give. The removable loose fabric cover allows you to match the season or interior design, and also makes for easy maintenance.

DIMENSIONS

190.5w x 90d x 42.5/71.5cmh

MATERIALS

The wood used in this product is obtained from beech trees in Europe and oak or walnut trees in North America that are managed and felled in a planned manner.

The back cushion of the sofa is made of a feather cushion combined with multiple layers of various urethane foam types with different specific weights. The seat part of the main body frame is equipped with elastic webbing in order to improve the cushioning quality and durability of the product.

Available with loose cushion.

Upholstered in a selection of fabrics. Please see the PDF download for the available colours for each category.
