DESCRIPTION

ARC Vases by **Sebastian Holmbäck** for **Holmegaard Glasværk**.

Sebastian Holmbäck designed the ARC collection of vases to reflect the current trend of romantic and colourful styles.

The vases are manufactured by Holmegaard, an iconic Danish manufacturer with a reputation for exceptional glass craftsmanship. Mouth-blown, these vases offer a unique and high-quality twist on traditional vases.

The transparent finish of the glass allows for the beauty of fresh flowers or green plants to be enjoyed from all angles.
