

Earth Bath Salts

Manufacturer: **Homework**

£28

DESCRIPTION

Earth Bath Salts by Homework.

Pamper yourself with Homeworks' natural bath product, made from Dead Sea and magnesium salts infused with a blend of Chinese cedarwood, geranium, cardamom, lavender, and patchouli essential oils. The addition of Calendula adds nourishment and healing properties to pamper your skin.

Add a generous handful to a hot bath and let it dissolve for a grounding and relaxing experience.

DIMENSIONS

410g

MATERIALS

Maris sal, Magnesium sulfate, Cupressus funebris (Chinese cedarwood) wood oil, Pelargonium graveolens (Geranium) flower oil, Elettaria cardamomum (Cardamom) seed oil, Lavandula angustifolia (Lavender) herb oil, Pogostemon cablin (Patchouli) leaf oil, Calendula officinalis (Marigold) flower.

Homework products are non-GM, palm-free and vegan.

Recyclable glass jars and aluminium lids with biodegradable labels. To recycle, separate lid from jar before placing in recycling.

Homework donates at least 1% of all sales to environmental charities and causes.
