

Fire Essential Oil

Manufacturer: **Homework**

£25

DESCRIPTION

Fire Essential Oil by Homework.

The Fire Essential Oil draws inspiration from ancient ceremonies where paper offerings for the spirits are burned, creating a peaceful and spiritual atmosphere.

Its scent evokes a sense of warmth, comfort, and emotional connectivity within us, to help us connect with our past.

Simply add 3-5 drops to an oil burner or electric diffuser to scent the room.

Please note: this fragrance, which utilises only natural essential oils, differs from its candle counterpart.
