Water Candle

Manufacturer: Homework

£35

DESCRIPTION

Water Candle by Homework.

The Water candle draws inspiration from the element of water, known for its tranquil ebb and flow that encourages reflection and inner strength.

Its fragrance is a blend of citrus, water, spice, and wood scents that offer a sense of renewal, refreshment, and purification.

DIMENSIONS

180g

MATERIALS

Made from 100% recyclable, reusable, and refillable glass jar.

Wax blend made from rapeseed and coconut, sourced from existing EU agricultural land and smallholder farmers in Asia.

Only essential oils and phthalate-free fragrances are used, ensuring the candles are safe for you and the environment.

Non-GM, palm-free and vegan.

The packaging is 100% recyclable and FSC certified.

Approximate burn time: 35-40 hours.
