

Water Essential Oil

Manufacturer: **Homework**

£25

DESCRIPTION

Water Essential Oil by Homework.

The Water Essential Oil blend is inspired by the peaceful and calming nature of the water element. Its fragrance promotes a feeling of rejuvenation, renewal, and purification.

Simply add 3-5 drops to an oil burner or electric diffuser to scent the room.

Please note: this fragrance, which utilises only natural essential oils, differs from its candle counterpart.

DIMENSIONS

20ml
