**Baker sofa by Finn Juhl for House of Finn Juhl.**

The Baker Sofa was originally designed for Baker Furniture Inc., USA in 1951. In its modern design, Finn Juhl used a two-piece curved back that embraces the sitter whilst highlighting the sofa's visual lightness. The fully upholstered sofa body and seat rest on a graceful wooden frame made of oak or walnut.

The generous dimensions of this sofa allow it to seat two to three people, making it suitable for daily use in the home or workplace.
